# Casual teacher booking process

---

We now offer a new internally supported booking system for our casual teaching staff. The new functionality will mean you will be able to make real time changes to your online profile and upcoming bookings.

There are also additional features that allow you to easily manage your classroom and school preferences.

In order to access the Casual Staff Seeker, we need you to submit an application to a centralised Casual Teacher pool:

[search.jobs.wa.gov.au/page.php?pageID=160&AdvertID=274702](https://search.jobs.wa.gov.au/page.php?pageID=160&AdvertID=274702)

After we have received your application and it has been processed, you will receive further information on how to set up your profile and access the Casual Staff Seeker.

Don't forget to select our school during this process so we can see you in our booking system.

For more information or to join an online information session, go to our website [www.education.wa.edu.au/casual-relief-teaching](https://www.education.wa.edu.au/casual-relief-teaching)

If you have any questions or would like further information please contact our Casual support team directly on [workforce.casual@education.wa.edu.au](mailto:workforce.casual@education.wa.edu.au) or 9264 5083.
