Dear Parents and Caregivers,

On the attached page is an outline of Voluntary Contributions and Charges for 2024 which have been endorsed by the School Board. It is a requirement of the Education Act 1999 that these be declared and published.

Voluntary Contributions

Voluntary Contribution \$50 Approved Chaplaincy \$5 P & C Membership \$1 **TOTAL \$56**

This is the amount we ask every family to pay for each child attending school. It is an annual payment which assists us to provide appropriate resources and high-quality teaching and learning programs. This 'small' amount goes a very long way and equates to just \$1.40 per week. There are several options being offered to assist parents making their contribution.

Option 1 A single payment.

Option 2 Two payments, each made in the first week of each semester.

Option 3 Four equal contributions, each made in the first week of each term.

If you choose any of options 1-3 these can be paid at the school office or by electronic transfer to the school bank account:

Australind Primary School BSB: 016515 Acc: 340844453

Please ensure you state the child's family name when paying.

All Contributions are used for the direct benefit of the students, and we urge all families to pay so that we can continue to provide a high quality, engaging learning program.

Charges

These amounts are indicated by the coloured column on the attached *2024 Schedule of Voluntary Contributions & Charges* and may vary from year to year. The amounts indicated are an estimated maximum that may be charged for the activity, however not all students will require all amounts to be paid as this will be dependent on the activities they participate in throughout the year.

Personal Items Lists

A personal items list is also attached, and orders can be placed through **PLACE THE COMPANY HERE**, as instructed on the sheet or via your preferred supplier. Please cross out the items your child will not need to re-purchase. For example, if they already have scissors, you do not need to purchase another one. Orders will be mailed to your home address and with a discount on postage being applied for family groups.

Thank you for the support of your child's education at Australind Primary School.
